A WATERCOLOR WORKSHOP IN PORTUGAL, FALL OF 2022

Welcome to Porto, Portugal!

In September of 2022 Emily Wahl will take a group of watercolor artists to this beautiful city in Portugal. Porto has a medieval old town which is a UNESCO World Heritage site and a painter's paradise. You will find narrow-cobbled streets winding through town, past merchants' houses, and cafes. Porto is situated on the Atlantic coast and has a temperate climate. September is an ideal month to visit. It is usually sunny and warm with daily temperatures in the high 60's.

A WATERCOLOR WORKSHOP IN PORTUGAL, FALL OF 2022

During the workshop in Porto, we will enjoy great food, local wine, learn about Portuguese traditions, listen to Fado music, experience the culture and history of this amazing part of Europe – and capturing it all in our watercolor paintings.

On our first day in Porto we will be painting the historic buildings in the old part of Porto as well as the more modern parts of town.

During the week, we will travel to Guimaraes, enjoying the sweeping views from the 10th-century Guimarães Castle and visiting the the Dukes of Bragança Palace, built in the style of a French chateau.

Our excursions will include painting in the beautiful Douro Valley where we will take a small boat cruise on the Douro River.

One day we will also have a Sketch Day, focusing on Portuguese food. We will visit an outdoor market in the morning, sketch local food, and in the evening learn all about making tapas in a fun cooking class.

We reserve the right to change the itinerary if needed.

This unique and inspiring workshop offers extraordinary instruction by Emily Wahl and is suited for intermediate and advanced watercolor artists. For more information, please contact Emily or Lo:
